

Manufacturing Inspector

We are seeking an inspector who has knowledge of foundry practices. The candidate will be responsible for performing visual inspections on products at various stages of production in accordance with company quality standards.

Qualifications:

Experience in all phases of foundry practice.

Basic computer knowledge (Word, Excel).

Ability to communicate with all levels of personnel in a tactful and diplomatic manner.

Bilingual (English/Spanish) preferred.

Utilize problem solving skills in daily activities.

We offer an attractive benefits package. Our employees benefit from our medical, dental, 401 k savings plan, life insurance, short term disability, long term disability, vacation, holiday pay and a cafeteria plan.

What makes you a great inspector?

Tell us about it.
