Maintenance Mechanic

Do you work on your own vehicle?

Do you enjoy fixing things?

If so, we would love to talk to you!

The Maintenance Mechanic troubleshoots equipment, identifies the cause of problems and safely performs the repair.

Requirements:

Mechanical and electrical background. Read blueprints and schematic; operate machine tools; and measuring instruments.

This is a 4/10 shift (4days/10hrs).

Shift hours are 6:00AM-4:30PM, Monday - Thursday

Fax or e-mail resume to (440) 551-2993 / hr-mi@reuland.com.

Applications available at www.reuland.com – Employment tab

Or apply in person 8am – 4pm M-F.

Medical, Dental, Vision, 401K, Life Insurance,
